Water Act 1912 Section 20Z

Water Allocations for 2007/2008 Water Year Peel Regulated River

The Water Administration Ministerial Corporation, pursuant to section 20Z of the *Water Act 1912*, is satisfied that the water source known as the Peel Regulated River is unlikely to have sufficient water available during the 2007/2008 water year to meet the requirements of those persons authorised by law to take water from the water source. Accordingly, for the 2007/2008 water year, water allocations are reduced by the proportions set out in Schedule 1.

This Order will continue in force until 30 June 2008 unless it is repealed or varied by a further Order before that Date.

Dated this 7th day of December 2007

Signed for the Water Administration Ministerial Corporation:

DAVID HARRISS

Deputy Director-General
Department of Water and Energy
(By delegation)
